Series – Choosing God's Way Every Day
Study Guide 4: From Worldliness to Godliness

Week Commencing 6th October 2019

Please Read **Romans 12.1; 13.11-14**

1. What does Paul consider to be 'true and proper' worship?
2. Why is it such a big deal that we offer our lives in a way which is 'holy and pleasing to God'? Shouldn't God be grateful to us for offering our lives to Him – however we offer it?
3. Why do you think Paul calls them to renewal and godly transformation with such urgency?

Please read **Romans 12.2; Ephesians 4.11-16**

4. How might we go about having our minds 'renewed' and our lives 'transformed' in tune with God's will? What might hinder or block this transformation?

Please read **Romans 12.3-13**

5. What makes this new way of thinking about our sense of identity and belonging so radically different to the patterns of the world?
6. What kind of behaviour patterns indicate that a church family are truly worshipping God in a 'transformed' (ie. in a holy and pleasing to God) kind of way?

What, in particular, has God spoken to you about from this study?
What do you need to do about it?
