Study Guide 4: The Question of Loyalty

Week Commencing 18th August 2019

Please read **John 6.25-71**

1. Do you think that the signs Jesus performed (eg. Water into wine; clearing of temple courts; healing official's son or man at the pool; feeding 5000; walking on water) would have convinced you that He was the Son of God?
2. In John ch 4 (Living Water) and John 6 (Bread of Life), Jesus uses lots of imagery related to food to describe himself and what he has to offer, why do you think he does this?
3. Telling his listeners that they must eat his flesh and drink his blood was meant to be provocative, what did He mean, and what does it look like to actually do that in our lives today?
4. What drives you to be loyal to Jesus and why does He deserve it?
5. Can you think of times in your life where your loyalty and devotion to Jesus has been tested, how did you respond?
