

Jesus and the Big Catch - Make a story book activity

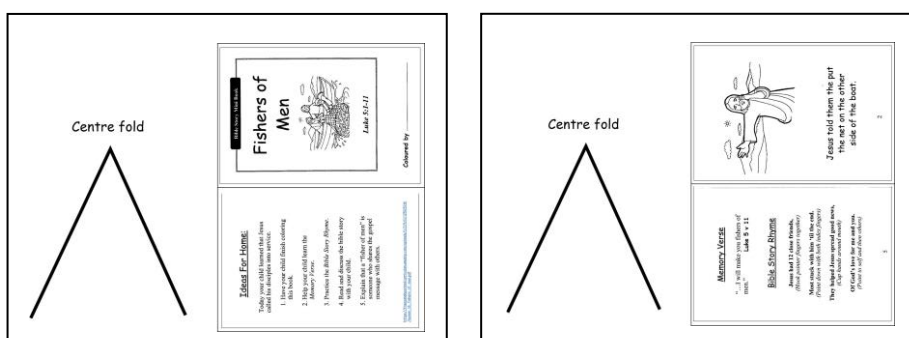

In this activity you will need:

- 2 x A4 piece of white paper
- Pair of scissors
- Colouring pencils or pens
- A clever mum or dad to help you with the cutting, folding and adapting the instructions if you need help. 😊

1) Firstly, cut out the two large rectangles from the A4 sheets.

2) Now, fold each sheet along the centre line.

3) Now fold each sheet along the other centre line.

4) Put the second folded sheet into the first one to make the small book. Make sure the pages are in order.

5) Colour in the pictures in the book.
