

Jesus heals a sick woman. Luke 8 v 42-48

In this activity, you have to get from the top step of the ladder to the bottom step, changing one letter each time to make a new word.

The lady had been **SICK** for 12 years but because she believed Jesus could heal her, Jesus made her **WELL**.

The image features a wooden ladder with two vertical posts and seven horizontal rungs. The word "SICK" is written in large, bold, black capital letters on the top rung, and the word "WELL" is written in the same style on the bottom rung. To the left of the ladder, there are two square images: a red bow at the top and a yellow windmill with a brown roof below it. To the right of the ladder, there is a glass of milk, a cartoon illustration of a man in a blue shirt and orange pants kneeling to propose to a woman in a pink dress, and a LEGO character with brown hair, glasses, a red shirt, and blue pants. A speech bubble from the LEGO character contains the text: "It's a short ladder today but I've added some clues if you are stuck!".
