

Jesus heals Malchus' ear – Luke 22 v 49 - 51

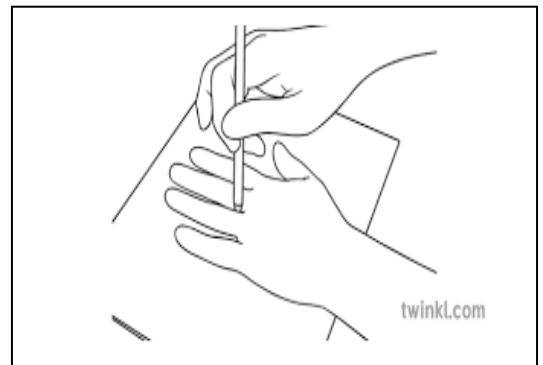

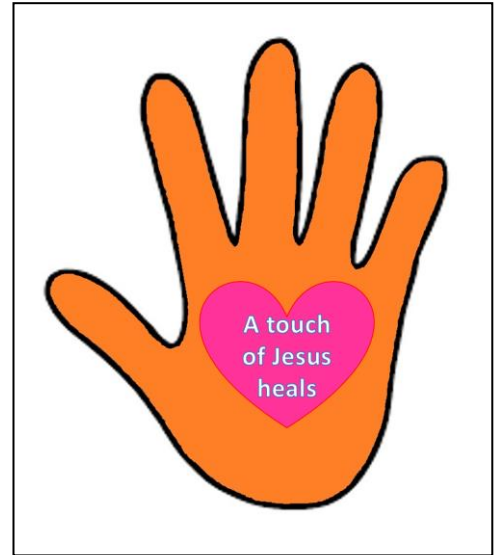

In this activity you will need:

- Your hand
- A pencil
- Coloured A4 paper
- Some coloured crayons or pens
- Some paper glue
- A pair of scissors
- A clever mum or dad to help you with the cutting out and to adapt the instructions if you haven't all the materials. 😊

1) Firstly, draw around your hand on a piece of paper.

2) Next, if you have used white paper colour the hand with pen or crayon.

3) Now cut out the hand, get mum or dad to help you, if it is difficult.

4) Now carefully cut out the heart shape.

5) Stick the heart shape in the centre of your cut out handprint.

Malchus was healed by the touch of Jesus. So was the sick lady. Other people were healed by the power of Jesus' words. Jesus' healing power is just one way he shows us how much he loves and cares for us.

Why not write on the other side of the hand how Jesus has helped you, perhaps with a problem, or when things have been hard, or when you have been hurt, or when you have been afraid.
