Build the Nativity
Week 3

Baby Jesus
Shepherd
Sheep

We would love you to take part in our 'Build the Nativity' challenge.
Over the next three weeks can you print, colour and decorate all the figures to create your very own Nativity set?

Here's what you need to do:

- Visit https://www.catholicicing.com/diy-printable-nativity-for-kids/

- Scroll down until you reach:

- Click to access the printable Nativity.
  Pages 12-19 are the black and white colour in version.
  If colouring is not your thing, then there is a coloured version on pages 3-10.

- Print your Nativity onto paper or thin card.
  The characters can be stuck to toilet roll tubes or simply curved round on themselves.

- Start decorating the characters for this week:
    Baby Jesus
    Shepherd— feel free to print more shepherds!
    Sheep (2)

We would love to see some pictures of how you are getting along with your Nativity. Send them to: jane.quinn@hillcliffe.info and we will share them with next week's Junior Church resources.
    Have fun!

Here's a picture of Katherine's Nativity scene so far:

How are you all getting on with your Nativities?
