

Scroll Craft

Make your own scroll using paper and cardboard tubes. Follow the instructions here: [How to Make a Scroll Craft | eHow](#). If you don't have any brown paper you could use a damp teabag to make white paper look old.

Once you have made your scroll what do you put on it? You could:

- Draw a picture of Jesus preaching in the synagogue.
- Write out the words in Luke 4:18—19 in your best handwriting.
- Cut out the sentences from Luke 4:18-19 on the next page. Muddle them up, then rearrange them in the right order (use your Bible to check) and stick them on.

Have fun!

“The Spirit of the Lord is in me.

This is because God chose me to tell the
Good News to the poor.

God sent me to tell the prisoners of sin that
they are free,

and to tell the blind that they can see again.

God sent me to free those who have been
treated unfairly,

and to announce the time when the Lord will
show kindness to his people.”
