

# Fruit of the Spirit—Joy

## Craft Activity

1. Print pages 2-4 onto thin card if you have it (or print on paper, cut out and stick onto card).
2. Cut down the lines to create three big triangle shapes.
3. Decorate your letters however you want—colour, paint, collage but remember to make them bright and JOYFUL!
4. Ask an adult to help you punch a hole at either side of each triangle.
5. Thread some wool or string through the holes and hang up your bunting!
