1. To create your dove EITHER draw round your hand on a piece of white paper OR paint your hand with white paint and do a handprint. Make sure that your fingers are spread out and your thumb is stretched out to the side.
2. Add an eye and a beak using pens or small bits of coloured paper.
3. Add the word 'peace' at the bottom. You could write it in bubble writing and colour it in or cut the letters out of coloured paper.
