

Easter—Jesus enters Jerusalem

Craft Activity

Jesus entered Jerusalem, riding on a donkey. Today we are going to make our own donkeys.

1. Print the donkey template [here](#) on the Crafting The Word of God website.
2. Colour both sides of the donkey, cut out and stick together. (Either print the template on card or stick the paper donkeys onto a piece of card).
3. Add wool or string if you have some for the tail and mane.
4. Colour two clothes pegs to match your donkey—don't forget to add hooves. (If you don't have wooden clothes pegs you could always make legs out of card or pipe cleaners.)
5. You might want to make a rug to go on the donkey's back. You could use paper or a scrap of fabric.

Have fun!
