

Easter—The Road to Emmaus

Craft Activity

After his resurrection, Jesus appeared to two travellers on the road to Emmaus. We're going to represent that scene today.

1. Print the template [here](#) on the Crafting The Word of God website.
2. Colour the background and figures. (Either print the template onto card or stick it onto card afterwards.)
3. Ask an adult to help you cut along the black line on the background to make a slit.
4. Stick a lolly stick (or a piece of cardboard) to the bottom of the characters.
5. Can you move Jesus and the travellers down the road towards Emmaus?

Have fun!
