

Jesus Heals a Paralysed Man

Craft Activity

Today's activity comes from [Faith Sprouts](#).

1. You will need two large lolly sticks or strips of card; some felt, fabric or thin card, the [man template](#) and a butterfly fastener.
2. Cut your felt, fabric or card into a rectangle 6x11.5cm.
3. Stick the lolly sticks underneath the long sides of the felt.
4. Colour and cut out the figure.
5. With adult help, punch a hole in the centre of the figure and attach him to the mat using the butterfly fastener.
6. Reread the parable and move your man from lying on his mat to standing and carrying his mat. We read the story in Luke's gospel but you might want to read it in Mark 2 also and compare the stories.

Have fun!
