This craft comes from [Biblecraftclub.com](http://Biblecraftclub.com)

1. Print the template on the next page.
2. Colour in the character cones and cut them out.
3. Roll each template into a cone shape and glue or tape together.
3. Stack the healed character cone on top of the cone with the withered hand and tell the story of how Jesus healed the man's hand on the Sabbath.
4. We read the story in Luke's gospel but you might want to read it in Mark 3:1-6 or Matthew 12:9-13 also and compare the stories.

Have fun!
