Please read Acts Chapter 3 v 1-26

1. When you read this passage, what are your first thoughts? What strikes you most about the passage?
2. When the lame beggar was healed, he is described in v 8 as "walking and leaping and praising God." Why is it that sometimes we are slow to thank God for answered prayer or for His blessings to us? How can we work on this? Please read Psalm 51 v 12 and incorporate that passage into your discussion.
3. Why did Peter go into such detail about the Old Testament and Prophets in his sermon in verses 11-26?
4. Peter describes Jesus in a number of ways in verses 11-26, please find these names and discuss why these names describe Jesus.
5. Please find in verses 11-26 the ways in which Peter says the Jewish people dishonoured Jesus.
6. What does Peter encourage his listeners to do and what does he say will happen if they do that?
7. Please spend some time praying in your group specifically for folks whom you know are "on the outside" of the Christian faith at the moment, either those who don't yet know Jesus or those who were once walking well but have drifted away.
