

Faith for Uncertain Times
2. Faith for the Journey

Hill Cliffe Study Guide
Sunday 20 November 2022

1. What struck you most from Sunday's teaching on 'Faith for the Journey'?

By faith we...
use
God's Sat Nav
for our journey

Please read Gen 12.1-10; Hebrews 11.8

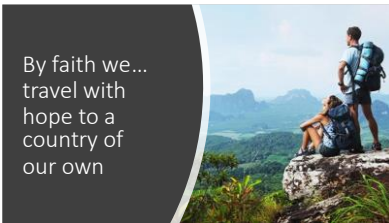

2. Why do you think God leads Abram's family stage by stage on their journey? Does He lead us in the same way?
3. What's your own experience of choosing to following God's Sat Nav in your life's journey?

By faith we...
we are like
strangers in a
foreign
country...
until we finally
get HOME

Please read Hebrews 11.9-10; John 17.14-18

4. Do you feel like Abraham - like a stranger in a foreign country?
5. Jesus called for his disciples to hold the things of this world lightly, and put their hearts into in the things of permanence rather than the things of transience (See Luke 12.32-34). How can we live such a counter-cultural life? How would it help us in our journey of faith?

By faith we...
travel with
hope to a
country of
our own

Please read Hebrews 11.13-14; Romans 8.14-18

In a dark and confusing world, the people of God, of all people, are able to travel with HOPE because they know they are en route to a better country.

6. What impact should our future hope have on us personally, and on our relationships with others?

By faith we...
are longing
for a better
country

Please read Hebrews 11.15-16; Romans 8.22-25

7. How does our sense of longing for a better country enable us to be empathetic towards others around us who long for a better world to live in?
