The Message of Micah**

1. What impacted you most from the Sermon on Sunday?

Study Guide Notes prepared by Mary Evans

As we are between series this week, the study guide is a bit different as you have to formulate the questions!

Try and read through Micah before your group meets. It takes about 15 minutes (slightly more if you read it aloud!)

2. In the group read one chapter at a time thinking about what you think Micah is saying to his original readers and why, and also thinking what he might be saying to you.
3. Spend some time discussing any questions you might have raised if you were writing a study guide for this chapter!
You probably won't have time to cover all the chapters, so choose any that raised particular questions for you and start with them. Remember that you are not just asking questions about things you don't quite understand but questions about what you might need to do about the things you do understand!!
4. Let me know if you come up with something that you have never thought of before. Don't just assume that it is something everyone else will already know. You'd be surprised at how often God brings out things in his word from ordinary readers that even scholars haven't actually noticed but once it is mentioned they recognise that it is a fair interpretation of the text!!
