

Hill Cliffe Baptist Church

Sunday 23rd March

Leadership is Serving

Do you try to follow “Servant Leadership” where you work? What does that look like and what are the challenges?

The disciples said, “It would not be right for us to neglect the ministry of the word of God in order to wait on tables” (Acts 6:2). Do you think this fits with Jesus’ teaching on service (e.g. Luke 22: 25-27)? Have you known any Christian leaders who have said similar things? How has that come across or felt for the broader community?

Are there any instances you’ve felt motivated to serve by things other than love and humility?

How might your desire, investment, capacity, persistence in service be impacted by the way that you’re motivated?

Where do you find yourself in terms of your serving capacity?

- A) Looking for new opportunities to serve
- B) Currently serving at the level you feel called to
- C) At full serving capacity and in need of support
- D) In need of service from the church

Are there any needs you are aware of in the church, at your work or in your community? How might you be called to serve, pray or support in relation to those needs?
